

Spring Art Fling

Best of Blawnox is hosting its second annual Spring Art Fling on June 10th from noon to 3pm. Come join us in celebrating the arts through discovery! There will be artists from all walks of life, specializing in various disciplines, ready to give you a glimpse into their own personal world of creativity and ingenuity. From demonstrations to live performances to the Masterworks Walk that takes you through various periods throughout art history, there's something for the whole family! The Event will be held all along Freeport's business district in Blawnox.
